POWER SHOT SHOOTING SYSTEM

INSERT: VIDEO OF MIKE

CAPTION: Mike Donnelly scoring Michigan State University's winning goal in the 1986 NCAA Championship game. The goal was his 59th—the current NCAA record for most goals scored in a season.

More Goals! Harder Shots! Quicker Release!
Committed To Bringing Your Game To The Next Level!

Power Shot Hockey Academy is a hockey training facility run by Mike Donnelly and Craig Channell, two former professional hockey players ***with over 40 years combined experience with the NHL***. Both Mike and Craig share a passion for developing hockey players, from the youngest mini-mites to the more experienced pros, providing technically challenging, age-appropriate training. PSHA offers one-of-a-kind training programs, including their exclusive **Power Shot Shooting System**, which guides players to score more goals, develop a harder shot, and adds dimension to their stickhandling skills. At PSHA, players learn proper technique—***the technique of the pros!***
